

Monte Christo Retirement Care

To ensure our residents have complete peace of mind, we offer frail care and a daily on-site clinic. Our highly trained staff are well equipped to ensure that you thoroughly enjoy your golden years.

Frail Care

The Frail Care Section will include:

- Treatment room
- Nurses station
- Frail Care Rooms
- Assistance bathroom
- Video monitoring
- Emergency ambulance service

Daily Clinic

The daily clinic will include:

- Application of dressings
- Administration of injections
- Monitoring of tests
- Medical and caring advice
- Reassurance
- Referral to doctors if necessary
- Referral to Health & Caring Practitioners if necessary
- Observation

Home care

Home care is provided where;

- The resident is temporarily unable to attend the clinic
- Limited care is required
- Home convalescence
- Is agreed with the Health Care Administrator
