

GENERAL NOTES

This document is the property of FC Holm Architects CC and may not be reproduced, issued or used for any other than the specific purpose for which it was originally intended.

All materials and construction methods must comply with the National Building Regulations (act no. 103 of 1977) including all amendments, as well as all by-laws of the relevant local authority.

All materials and equipment must be fixed and finished off in accordance with the specifications of the manufacturer of such materials and equipment.

All dimensions must be checked on site. Any inaccuracy or discrepancies must be pointed out to the principal agent for rectification or clarification before work is taken into hand.

Never scale from this drawing.

NOTES

Refer to the general specifications for material and methods for this project
